

WHAT IS THE WYOMING NATURAL RESOURCE FOUNDATION?

The Wyoming Natural Resource Foundation is a 501(c)(3) organization that helps Wyoming's citizens and local conservation districts by supporting community led conservation.

Your tax deductible donation will support the following efforts:

- Protect Wyoming's natural resource and agricultural tax base.
- Promote and enhance water quality and quantity, wildlife habitat, conservation forestry, education, and much more.
- Enhance capacity of local districts to better serve their constituents.
- Implement youth education programs to ensure balance in environmental education.
- Promote and protect the wise and multiple uses of our natural resources.

WNRF is a sister organization to the Wyoming Association of Conservation Districts.

WYOMING NATURAL RESOURCE FOUNDATION GOALS & OBJECTIVES:

- **Building the Olin Sims Endowment**
Provide opportunities for on-the-ground conservation projects and leadership development. Enhancing the Foundation's capacity through the growth of the Olin Sims Endowment.
- **Community Led Conservation**
Support current priority conservation projects and programs of the Wyoming Association of Conservation Districts as well as local districts. Projects include conservation forestry, watershed enhancement and protection, wildlife habitat development, conservation education, and more.
- **Education & Outreach**
Continue to support and expand conservation education programs such as the Gary Beach Memorial scholarship, the Wyoming Stock Growers Association Environmental Stewardship Program, the *Pathway to Water Quality* project located on the Wyoming State Fair grounds, Future Farmers of America chapters in local high schools, and more.
